Dispose of your prescription and OTC medications responsibly!

Did you know that 1 in 5 teens are abusing prescription drugs to get high?

Did you know that improper disposal of prescription and OTC medications can contaminate water supplies?

Drop box instructions:

*Drop boxes are for the disposal of prescription and OTC medications ONLY.
*Transport medications to the drop box site in their original containers.
*Place pills into the bags provided.
*Properly dispose of bottles and personal information - do not leave this information at the drop box site.
